

TOP SECRET

Deputy Director's Staff Meeting

Friday
19 January 1951

25X1

The NBC is planning a series of 40 television broadcasts on American Intelligence and objectives. Mr. Jackson will call Mr. Trammell of NBC to find out what it's all about.

Mr. Jackson said he would like to review the instructions which have been prepared for Senior Representatives abroad.

25X1

25X1

will ask Mr. Carey to prepare requirements for
 Dr. Langer will be asked
to review these requirements.

25X1
25X1

reported that he had recommended to
administration be organized. He will discuss similar plans with
and says that each office will be organized along similar lines but inde-
pendently, and that a combination of the administrative offices could occur
later.

25X1
25X1

25X1

asked if retired officers could be employed without
compensation. Mr. Jackson said that this was permissible, but suggested
clearing with the Director's office in each instance.

25X1

reported that the Air Force had requested
release for an important assignment but that NIS was opposed to releasing
him. Mr. Jackson said that he should be released because of what the Air
Force is doing for us service-wise.

25X1

Mr. Jackson asked whether the orders had been issued yet that
no personal mail will be opened by the Mail Room. He was told that they
have been.

Mr. Reber asked whether he could give CIA Regulation 70 to other
organizations. It was decided that it was premature to do this.
